D. No 2066/c

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department (Supplies),
Bangalore.

Sir,

I have the honour to forward herewith a representation of Mr.K.H.-Hanumantha Chetty, attached to the Special Office, requesting that an allowance of Rs. 15/- may be sanctioned to him with effect from at least November 1943 for the additional work he has been doing and to state that this official has been working in the Special Office against a vacancy of Rs. 60/-, but actually drawing only a sum of Rs. 40/-, being his permanent pay plus a deputation allowance of Rs. 8/-. Although this official has been appointed against a vacancy of Rs. 60/-, he has not been able to get the full benefit of the appointment as the salary of all officials in the Special Office is regulated on the principle of pay plus deputation allowance irrespective of the pay of the post against which the official is appointed.

2. This official was entrusted, in addition to his duties, with the recording of proceedings of the several meetings held in my Office ever month. He had therefore to work over-time to complete the transcriptio of the proceedings of such meetings. I have found this official to be very loyal and willing and he has really worked very hard. In view of the fact that he has been over-working, I strongly recommend that the official may be given an allowance of Rs. 15/- per mensem with effect from November 1943, or, in the alternative, he may at least be given the benefit of the pay of the post against which he is appointed, as a special case, with effect from the date he joined duty in the Special Office.

I have the honor to be, Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

The Director of Food Supplies in Mysore,
(Camp) Mysore.

Through
The Special Officer,
Food Supplies, (Camp) Mysore.

Respected Sir,

I most humbly and respectfully beg to submit the following for kind consideration and sympathetic action :-

I was drafted from the Secretariat to the Special Office just before the commencement of August 1943 Scheme and I have been acting in a post of Rs. 60/- and drawing Rs. 48/-. From the very beginning I have been entrusted with very heavy work in both the Offices viz., the Special Office and the Director's Office. I continued to work as such though I suffered in my health sometimes due to over work. In addition to the usual work, I have been doing the most responsible work of reporting the proceedings of various meetings, some of which are of a very important nature, such as the Meeting of Deputy Commissioners, Central Food Council etc., which very often meet (every month). In this connection I beg to point out that allowances are being given in the Secretariat and other important Offices for the additional and strenuous type of work as mentioned above and I humbly request that the same concession may kindly be extended to me also for having worked over time since November last.

I have put in a service of nearly 8 years and have worked throughout to the entire satisfaction of my superior Officers in the Judicial Department (about 6 years), in the Secretariat (about a year) and in the Food Department (over a year).

In view of my above humble representation and in consideration of the responsible and strenuous work done by me in addition to my usual routine work by working over time, I humbly pray that an allowance of Rs. 15/- per mensem may kindly be ~~granted~~ sanctioned to me with effect from at least November 1943, for which I shall remain highly grateful.

I beg to remain,
Respected Sir,
Your most obedient servant,
K. H. Hanumanthachetty
Stenographer.

The representation of this official may kindly be considered favourably. He is a very hard working & willing official & has carried out extra work, sometimes very taxing & heavy, in a willing and efficient manner.
